Girls Uniform Specifications

Girls may choose the unisex style or the polo made specifically for girls (smaller sleeve and fitted at the waist.)

Girls' skirts must be worn so that the length comes to the middle of the knee; if the entire kneecap shows, the skirt is too short.

Boys and Girls Dress Uniform Specifications

On dress days: The white button-up shirts for dress days can be long sleeve, mid-length, or short sleeve. A long sleeve sweater or shoulder width vest will be worn over the dress shirt at all times. Boys need to wear a solid navy standard necktie and girls wear a cross tie.

Shoes

The uniform shoes are a style rather than a specific shoe. All students in grades PreK –12th grade must wear proper shoes with their uniforms during each school day. All shoes must meet the following conditions:

- 1- They must be **ALL** black including the soles and laces.
- 2- Grades 9-12: Must wear a **dress shoe** made of leather or vinyl material that can be polished (no canvas-like materials), and be all black with no branding/distracting logos. Must be a closed-toe shoe with a back. No boots (such as Georgia boots), no plastic material shoes (such as crocs), and no slippers (such as Tom's & Hey Dude's). Girls may wear a heel if it does not exceed 2" in height.
- 3- Grades PreK-8: All-black flat dress shoes or tennis shoes. If there is branding, it must also be all-black. Must be a closed-toe shoe with a back. The shoe must be either laced, buckled, or Velcro. No boots (such as Georgia boots), no plastic material shoes (such as crocs), and no slippers (such as Tom's or Hey Dude's).
- 4- Winter shoes: snow or rain boots may be worn as needed for outdoor recess or travel to and from school. Uniform shoes are required inside the building.
- 5- P.E.- Indoor only, non-marking shoes required for all 5-12th grade students in any color to be left in the Angelus Center.

PE

Students in grades 5th -12th will need PE uniforms.

Only High school students taking PE as an elective need a PE uniform.
